Manufacturing Digitization Across The Value Chain

Da Industria 4.0 a Impresa 4.0

#DIGITALIANI

Industria 4.0

Focus su linea di produzione,
Fabbrica e Macchine

Impresa 4.0

Focus sul valore del digitale al
servizio dell' Impresa
Manifatturiera Italiana

La via Italiana all'Impresa 4.0

Obstacles implementing Industry 4.0 in their Organization

- Lack of strategy, a roadmap
- Lack of key talent & capabilities
- Lack of strategy to collect, manage, secure data
- Lack of understanding the ‘What’ in order to deploy the “How”
- The RISK of Doing Nothing
