A modern office interior with large windows, pendant lights, and people working. The scene is dimly lit with a blue tint. In the foreground, a man and a woman are sitting on a red sofa, facing each other. In the background, a woman is standing near a desk. The office has a clean, minimalist design with white walls and a polished floor. A large green plant is visible on the left side. The text "Come visit us!" is overlaid in the center in a large, white, sans-serif font.
