OUR COMPANY

PNO CONSULTANTS

Every innovation starts with one good idea and a lot of passion. Those are traits we recognise – because we started out the same way. From our start-up roots, we have grown to become market leader in innovation and funding services in Europe, with offices in 7 European countries. Our company is connected to a global network of national and regional creative partners: multinationals, start-ups, RTOs and universities, sector and public organisations. From this unique network, we work on fostering connections and stimulating, realising and financing innovation in an ever faster and more complex innovation landscape – changing the world for the better.
