GLOBAL AWARENESS

E sul posto di lavoro ?

- ✓ II 90% of manager is out of shape

WEF, Healthy WorkForce

- ✓ II 50% of absenteeism is related to preventable disease

✓ David Chenowit, Ph D "Worksite Health Promotion" 1998

La tua organizzazione è immobile. In senso letterale!

Only
20%

of today's jobs require a moderate level of activity, as compared to 50% in the '60s.⁸

Bus drivers (sitting) Ticket takers (standing)

Bus drivers are twice as likely to die of a heart attack as ticket takers.¹⁰

women who sit for over 6hrs/day are

94%

more likely to die.

men who sit for over 6hrs/day are

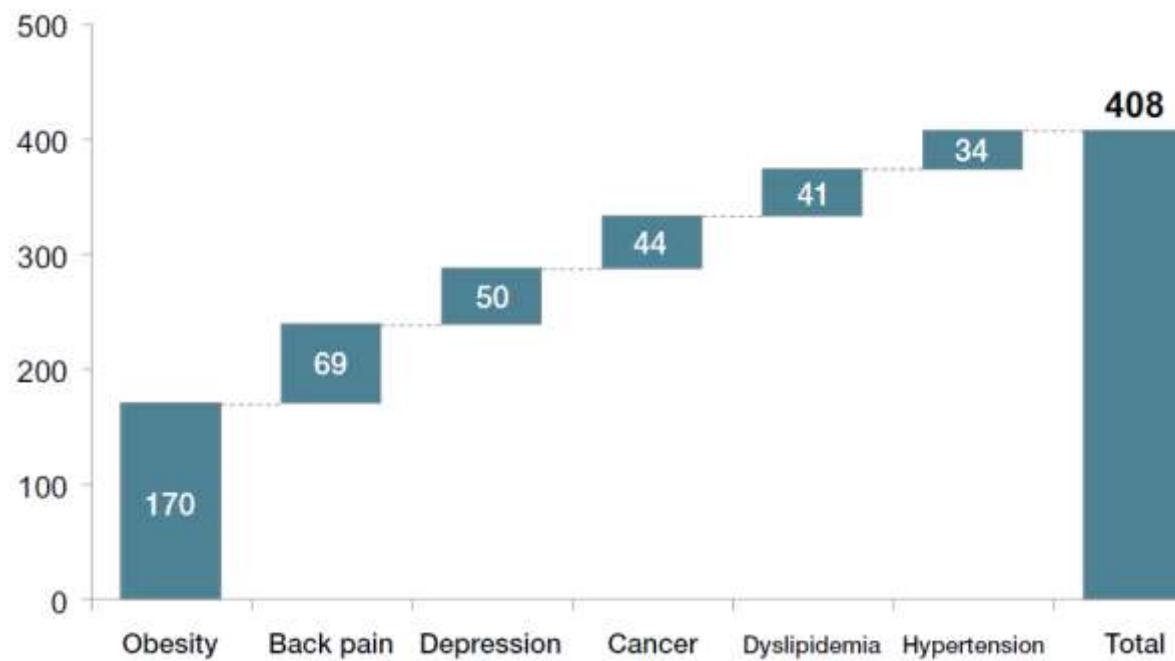

48%

CORPORATE WELLNESS

THE BURDEN OF PHYSICAL INACTIVITY

Major chronic conditions

Five-year cumulative medical and productivity costs (\$M)

'With access to over 54% of the global adult population, employers are well positioned to make a valuable contribution to make a battle against NCDs by taking measures to improve the health of their workforces.'

The Workplace Wellness Alliance. Delivering on Health and Productivity.
Geneva, World Economic Forum 2011.

A Case Study: CERNER – Le attività

A Case Study: CERNER – I risultati www.CernerHealthBrief.com

We're making smart investments to help Cerner and our members in the long-term.

In 2002, we recognized we were on an unsustainable path and estimated we'd have a total spend of over \$179 million in 2012 if we didn't make a change. With the investments we've made since then, our actual results in 2012 came in \$110 million under that projection.

Un risparmio di circa \$ 6470 a dipendente

CORPORATE WELLNESS

CORPORATE WELLNESS PROGRAMME

Programme workflow

1 Assess

The first step is evaluating employee needs and health risk levels for the creation of a successful programme

2 Prescribe

A dedicated intervention is tailored based on the results

4 Manage

Data collection and evaluation are fundamental to ensure that maximum value is obtained

3 Reward

Challenges and rewards are crucial in order to keep motivation and participation at a high level

Your company can be a great workplace, and as your Wellness Business Partner, we can help make this happen.

Attivi sempre

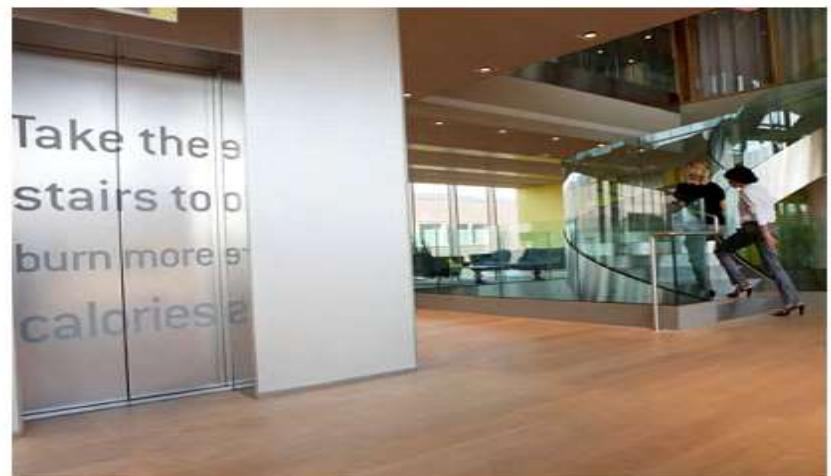

RECREATIONAL SPACE A small library, a computer and a games room are excellent solutions to help your staff relax and socialise.

SPORTING ACTIVITIES Promote sports activities during lunch hour. Organise indoor contexts and outdoor activities such as running, cycling and fitness classes.

HEALTHY SPACE Make sure your restaurant or cafeteria serves healthy, balanced meals, including vegetarian and organic options.

INFORMATIVE SPACE Promote healthy living throughout the company making use of our educational material and marketing tools.
