# SmartWorking when working becomes smart

Dario Gnaccarini Sales Engineer Dell | Cloud Client-computing

## Common roadblockers for smartworking

#### **Past investments**

- Legacy applications
- Exhausted storage space
- · Telco bandwidth

#### **Budget constraint**

- Workspace design
- New datacenter
- Employee advisor

# Short vs long term vision

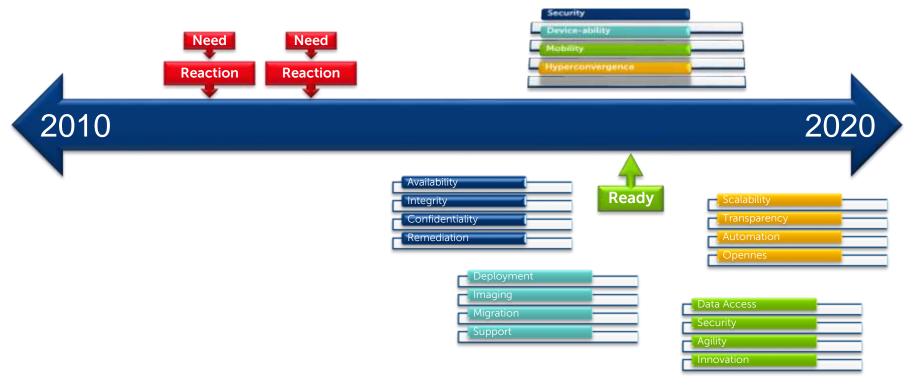

- Flat endpoint refresh (PC2PC)
- Managing of residential workers requires less manager's effort
- Productivity: hour vs tasks

#### **Compliancy**

- Job time
- Organizational behavior
- Contracts

## How to be «SmartWorking» Ready

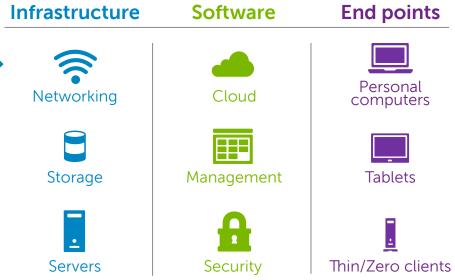

# Why Dell
